Subject: Grammar is not a condiment

Dear Margie,

Proper punctuation and spelling can't just be added or left out for personal taste. It is essential for understanding. Every day your employees send out messages with errors that make understanding difficult and make your company look unprofessional.

Get This Write can help with online, easy-to-use "recipes" – lessons that build better grammar skills. Created by teachers, it starts out easy and progressively builds a solid grammar foundation. Try Lesson 1 for free by [clicking here](#).

Learn more by checking out our website. We have affordable plans that allow companies to offer this training to employees. When can we schedule a call to answer questions?
